Issue 37 Term 4 Week 6

Thursday 17th Nov 2016

PRINCIPAL'S MESSAGE

Well I am a little red eyed and tired but at work. I am sure the students who travelled to Melbourne are feeling the same but we are excited to be back and looking forward to sharing our experiences with you all. I would like to thank everyone again who helped us get to Melbourne. I would also like to say it was a privilege to travel with these amazing children- thankyou to the families for allowing their children to come on this adventure.

Thank you to Miss Orr for all her hard work while we were gone in her capacity as Acting principal.

Welcome back Mrs Stewart- we feel like our staff team is complete again now you have returned to us.

Yours In Education

Tania Gilchrist

Kinder Orientation

Kinder orientation kicked off on Monday with 5 little excited people arriving with their yellow T shirts and lunch ready to experience life at "Big School". Mums and dads dropped them off and returned 2 hours later to find them enjoying lunch with their new friends. They have enjoyed various craft activities, stories, socialising and games. They are all having a great week and no doubt can't wait for Term 1 2017!!

Year 6 girls Sasha and Lexie helping out our new Kinders

Tahnee-Jane and Adda having a lovely morning on Tuesday with the help of their buddy Natalie Bosch

Kylah Newell with her new friend Lexie

Arley
concentrating hard on
her art work

More Kidpreneur pics !!

All dressed up ready for the award night

What, 2 grumpy smurfs!!

More great photos can be found on our Coopernook Public school Facebook page. Please "Like" our page for all updates on what's happening at school

PAPER PLANES

It will fly you to the movies!

At the start of term 4 I watched the movie paper planes in class. I found this movie to be really good and funny! The director, Robert Connolly, had me hooked to the screen for the whole entire time (96 minutes).

The movie was about a boy named Dylan Webber (Ed Oxenbould) from Western Australia. He wanted to compete in the world championship of Paper Plane flying. His first paper plane made it over 50 meters. He then went to Sydney and flew his plane 30 meters which made him qualify for the World Championships in Tokyo, Japan.

My favourite part of the movie is where Dylan meets Kimi (Ena Imai) because he develops a crush for her and then they become best friends. Friendship was a big theme in the movie. However, not all friends are easy to make. I didn't like the part in the movie where Jason (Nicholas Backopoulos-Cooke) pushed Dylan down the stairs because it was mean. Dylan sprained his wrist but he never let Jason get him down. The movie taught me to always treat others the way you want to be treated.

I give this movie 5 stars out of 5. It is an overwhelmingly uplifting film. I recommend this G rated comedy to everyone.

Paper Planes: Film Review

At the start of term 4 I watched Paper Planes in class because we are learning about it. The director Robert Connolly had me excited for 96 minutes. I couldn't take my eyes off the screen.

In Western Australia there was a 12 year old boy named Dylan (Ed Oxenbould). Dylan loved making paper planes! The movie followed his journey to the world championships in Tokyo, Japan.

The movie reminded me to never give up! Dylan was bullied by Jason (Nicholas Bakopoulos-Cooke), had to deal with the loss of his mum and fundraise to get to Japan. It also inspired me to make my own paper planes.

I recommend this happy G rated film to everyone! I give it a star rating of

School Banking News

On Monday we will be having a special visitor from the Commonwealth Bank to talk to us about the importance of banking and saving our dollars. Mrs Clare has decided to reward everyone who banks **this** Monday with one of her special reward prizes. (Regardless of how many tokens you have) So don't forget your bank books on Monday !!

Nutrition Snippet

The simplest way ...to add veg to the dinner plate.

Boost the vegetable content of the evening meal with these quick and easy additions to the dinner plate.

Serve a mixed salad with a lean meat accompaniment, going for plenty of variety in the colour of the salad ingredients.

Grate extra veg into mince-based dishes.

Add a rainbow of different coloured vegetables to a stir fry.

Serve homemade pizza, reducing the meat content and loading up the veg.

Blend vegies into sauces.

Add other root veg to mashed potato, such as pumpkin and sweet potato.

Attendance

Regular attendance at school is important for students to reach their potential. The school is required to record the reason for **any** absences as a way of ensuring that students are absent from school **only** when they are sick or have another good reason for missing school. **If your child is absent at any time you are required to either phone the school office or alternatively send in a note the following day.**
