Issue 29 Term 3 Week 10

Thursday 21st Sept 2017

DEAR PARENTS/CARERS

With the holidays upon us we are getting a lot of enquiries from parents about what we can suggest for some activities in the holidays to help children's learning. Well I fully believe the students deserve a break too. Having said that lots of activities have educational benefits. Always encourage your child to read daily- for pleasure. It does not matter what they read as long as this skill is practiced daily. They might read the cereal box, street signs, comics, magazines, novels anything will help. Our suggested list of free/cheap holiday activities for you to do with your children that will also benefit learning:-

1. Read - literacy
2. Board games – maths
3. Card games- maths
4. Cooking – reading/literacy, math/measurement and science
5. Jigsaw puzzles- problem solving
6. Gardening- Science
7. Make a cubby house- Creativity- can be as simple as blankets pegged to the clothes line or over some chairs.

I hope everyone enjoys their holiday break and we look forward to seeing you all on Monday 9th October.

Yours in Education

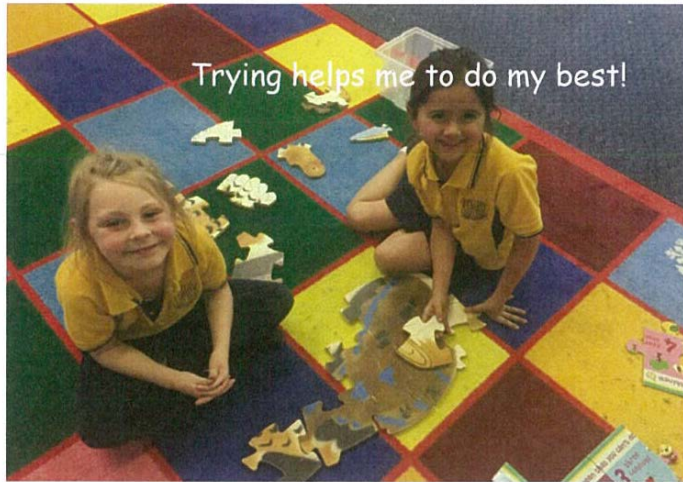

Tania Gilchrist

Storm Village Drumming Performance

P&C News

Thank you to Michelle Robinson for all your help with the P&C.

Treasurers position has become available in our P&C. If you're interested in the position join us at our next meeting October 10th.

It's that time of year again Christmas is coming and we are holding our end of year Raffle. We are asking for donations of non perishables. If you can donate it would be really appreciated.

Next meeting will be Tuesday October 10th 6pm at the school

Have a great holiday and we look forward to seeing everyone next term.

Amanda Richards
