Issue 3 Term 1 Week 3

Thursday 15th February 2018

PRINCIPAL'S MESSAGE

Another week- and what a hot one. Our representative students did very well at the district swimming carnival and we have 3 students going to zone.

Hot Weather Alert

With this weeks hot and humid weather we have been encouraging our students to drink as much water as possible and play in the shade at break times. We encourage students to bring a water bottle for the classroom as this minimises disruption to teaching and learning.

Coffee With The Principal

After last years popularity I have decided to have some more sessions of 'coffee with the principal'.

What do we do there? It is just a chance to have a coffee with me and chat about anything you wish- weather, sport, school...anything you wish. It really is just a time to get to know each other better.

No appointments- just drop in- yes I will pay for the coffee.

Next date- Thursday 22nd February

Time- 11.30 am to 12.30pm

Where – The Other Side Café.

School Leaders Induction

Next Tuesday- 9am Leslie Williams will be here to participate in our induction ceremony and we would love to see as many parents and community members as possible.
