Issue 5 Term 1 Week 6

Thursday 8th March 2018

## PRINCIPAL'S MESSAGE

Thankyou to all of the parents and carers for attending the 3 way conferences this week. We have had very positive feedback from families, students and staff during this time. It was a pleasure to catch up with many of the families while you were in the school.

### Modern Technology

Due to popular demand we now have EFTPOS available for your convenience for all payments to the school. \$\$\$\$

### EMAIL

Do you have an email address that you check regularly? If so we would love to have that in our records. Please contact the office with your current email address- this may be easiest by sending the school an email on the above address then we can just click and save it.

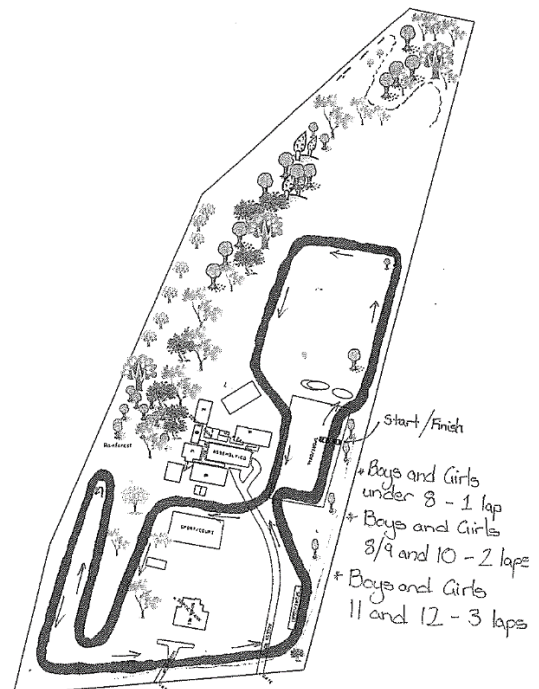

### New Electronic Sign

Slowly I am mastering programming the new electronic sign. Keep an eye on it as I just worked out how to put photos on there! We will be regularly updating it with current upcoming events and news.

Yours In Education  
Tania Gilchrist

## Cross Country

The CPS Cross Country will be held next FRIDAY 16<sup>th</sup> March commencing at 10am. The P&C will be holding a BBQ afterwards for students and families. Everyone welcome

## 2-4Orr

Caption: Tired at the beach

As part of our Seven Steps to Writing program, students have been focussing on Step 5: Show Don't Tell. The idea is that words don't convince, but actions do. If I tell you I am generous, do you believe me? No. However, if I buy 20 raffle tickets to help your basketball club, now are you convinced?

While with Mrs Stephen's on Wednesday, students were asked to role-play a scene that showed their group's given emotion/feeling and setting using dialogue and actions. Other members of the class had to guess what emotion/feeling and the scene they were portraying.

It's been a lot of fun.

#### Coopernook Garage Sale

**The annual garage sale is to be held on SAT 24<sup>th</sup> March. This date has been confirmed. For any enquiries please call Len on 0439 433 514**

### Good for Kids good for life

#### EDIBLE GARDENS

Vegetable and herb gardens are a fantastic way to get the kids interested in vegetables. And even better, they help you to save money on the groceries. Here are some tips to get you started:

- Choose a sunny spot in your garden close to a water source
- To save time purchase a raised garden bed from your local hardware store or to save money simply build your own with treated pine.
- Do a little bit of research as to what vegetables are in season to get the best results
- To save money on fertilisers you can make your own compost from vegetable scraps in the kitchen
- Get the kids involved and have fun!

The next school Assembly will be held **TOMORROW** Friday 9<sup>th</sup> March at 2.15pm in the 5-6 classroom. Everyone welcome 😊

### HOME ICE CREAM DAY

Home ice creams are for sale on **FRIDAYS** at lunch time. Still only \$1 with lots to choose from. Bring your \$1 along and listen out for the ice cream call at the Multi purpose room😊

### K-1 Pretty Pink Pigs

Last week K-1 students made a paper bag pink pig puppet. Mrs Stewart is going to cover this much loved story (The Three Little Pigs) in class as part of a unit of work.
