Thursday 29th March 2018

## PRINCIPAL'S MESSAGE

We hope everyone has a safe and happy Easter break - staff and students return Tuesday 3<sup>rd</sup> April.

### Congratulations

Congratulations to all students who competed on Tuesday at the District Cross Country. I received excellent reports to the efforts and behaviour of all students involved. Thankyou to the parents and family members who transported the children and supported their day.

Yours In Education

Tania Gilchrist

**Candy Explosion**

Why, why, why? People are always hitting me, trying to rip open my candy belly!

I had been at the shop for a year! I just wanted to be set free.

A lady went past. She took the one next to me.

Then a man picked me up. He chucked me in the boot. I saw birds flying around my head.

When we got to the park, the man hung me in a big tree. It was a kids party. Someone called Lucy hit me with a stick. "Ouch!" I said. Lucy hit me with with a stick.

After she took another swing, I came alive and flew away to pinata heaven.

I wish he had never bought me.

**Find Fairies**

Wow, I'm flying! I love the view from up here!

I was on a plane to Africa with Jessi Cake. We had just finished watching *Shopkin World Vacation* when the plane started to shake from turbulence.

The seat belt sign flashed. I tried to put my seatbelt on but I pulled it too hard and it broke. I started to cry.

Minutes later, I heard people yelling behind me, "The wing of the plane just ripped off."

The people nearest to the hole were swept out! The wind was so loud that I couldn't hear Jessie Cake sitting next to me.

As I reached up to get the the breathing mask, the plane spit in half. Pixie dust surrounded us and we were all suspended in mid air. We slowly floated down to the ground. Everyone was safe.

Strange things had been happening for a while now, my mum's a fairy and she discovered her powers around my age. "I must be a fairy too," I say excitedly.
