Issue 20 Term 2 Week 10

Thursday 5th July 2018

PRINCIPAL'S MESSAGE

I hope everyone has a safe and enjoyable holiday break. Students return on Tuesday 24th July.

Year 3 to 6 Camp

I am pleased to say that we are finalising the details for this year's Year 3 to 6 camp.

We are going to Sydney- we will travel by coach and be spending 2 nights in the city. One of our nights will be spent having a 'convict sleepover experience' at Hyde Park Barracks where we will be treated like convicts and sleep in the original barracks in hammocks just like the convicts did. We have also booked an incredible experience at Apple- where we will do a very exciting technology workshop. Darling Harbour will also be on our hit list and much more. We do not have a final cost yet but expecting it to be approximately \$275 after subsidies and sponsorship that we are hoping to

obtain. Please note- children who receive a suspension before the camp will not be entitled to come on this excursion. Please call me with any questions- but I will keep you up to date as we secure all of the details.

BENEFITS OF TEAM SPORTS

Participation in team sports is a great way to increase your child's physical activity. But did you know there are a number of other benefits to team sports, including:

- Teaching children skills in teamwork
- Increasing communication skills
- Helping children gain confidence through interaction with other kids
- Teaching children it is ok to lose sometimes
- Making new friends
- And most importantly having fun!

There are many different team sports to choose from such as soccer, netball, touch football and hockey. Why not see what team sports are available at your school or in the community for your child to participate in?
