Principals Message

Camp

Camp was a raging success with all students and staff pushing their physical limits and having an enormous amount of fun.

Inter-School Challenge Day

Yesterday saw us host other schools and agencies in a day of fun and friendship. The day was run with 3 competitive themes. Pinewood Derby, Handball and Minute to Win It. Many medals, trophies and prizes were won by all schools.

We again thank Woolworths for the lovely BBQ lunch and also Mr Kuchling our Director of schools for attending and joining in the Pinewood Derby.

Safety

Please! We have pleaded and begged parents this year to assist us by adhering to a few basic safety procedures.

1. If you park on the opposite side of the road to the school, please get out of your car and walk across the road, take your child's hand and assist them to cross the road safely. Do not call or wave them across from the other side.
2. Do not do a U-Turn in front of the school it is double unbroken lines therefore it is not only extremely dangerous but also illegal.
3. Staff are responsible for every child and we take this seriously- please advise the office if you are allowing someone else to

pick up your child or any changes to regular routine.

4. Please use the pedestrian path at all times for access to and from the school- not the driveway.

We are currently reviewing and trialling a few different end of day procedures to increase our pedestrian safety. Please co-operate with staff so we can keep your children safe.

Yours In Education

CHRISTMAS HAMPER/RAFFLE

Christmas is fast approaching and as is P&C tradition we will be holding our annual Christmas Raffle.

Each family should have received a book of raffle tickets to sell – these were sent home Tuesday.

The raffle will be drawn at the presentation night on 12th December.

One of the prizes in the raffle is a Christmas Hamper.

We would appreciate any donations that families can make towards the hamper.

Donations can be made from today and can be dropped in the basket in the office.
