Issue 33 Term 4 Week 8

Thursday 5 December, 2019

Principals Message

Busy Weeks Ahead

The next couple of weeks will be extremely busy for staff and students alike. Teachers are busy writing students reports and organising rehearsals for end of year performances.

Swim School

Next week we will have our 5 missed days of swim school. All students K-6 are required to sign the new note that came home for insurance purposes as it has the new dates on it.

Swim Carnival

On Monday 16th December (last week of school) we will be heading to Kendall pool for the day to hold our annual swimming carnival. This is for all students K-6 and will include novelty and assisted races for the not so strong swimmers. We encourage all families to come along and support our students on the day. There will be a free sausage sizzle for everyone who attends.

Presentation Night

As all children have been given a role in our end of year performances at our Presentation night (12th December 6pm) it is vitally important you notify us now if they cannot attend. We encourage all families and community to attend this night and enjoy the students efforts.

Farewell Turner Family

After many years of being part of our school community the Turner family are moving interstate. We bid them a fond farewell and wish Jamie, Adam, Larissa and Matthew all the best on the new adventure. We will miss you!

Yours In Education
Tania Gilchrist

November 2019**

CHRISTMAS HAMPER/RAFFLE

Christmas is fast approaching and as is P&C tradition we will be holding our annual Christmas Raffle.

Each family should have received a book of raffle tickets to sell – these were sent home Tuesday.

The raffle will be drawn at the presentation night on 12th December.

One of the prizes in the raffle is a Christmas Hamper.

We would appreciate any donations that families can make towards the hamper.

Donations can be made from today and can be dropped in the basket in the office.

Libraries

Bring the kids along to MidCoast Council's libraries this January holidays to enjoy a range of fun and entertaining activities. From movie screenings, craft, beeswax wraps workshops, science exploration, a scavenger hunt, games and lots more, there's something for everyone!

Bookings essential.
