Issue 24 Term 3 Week 8

Thursday 12 September 2019

## Principals Message

### NAPLAN

The NAPLAN results are now available to schools electronically. Our teachers will be analysing the school data to see how we are travelling as a whole. On first look it appears that we have again, as a school, performed very positively with growth in all areas. Individual student results will arrive at school in the next few weeks and we will send them home.

### Focus Groups

I will in the next couple of weeks be looking for some people to participate in a focus group to provide the school with some feedback. Once I have a date and time I will be asking for volunteers (painless procedure I promise). Update in next weeks newsletter.

### Children's University Graduation.

This week all students who may be graduating this year were measured for their gowns.

Graduation will be on the 5<sup>th</sup> November at Newcastle and we will be providing a bus to transport all students and family members attending.

Yours in Education

Tania Gilchrist
