Issue 2 Term 1 Week 6

Thursday 5th March, 2020

Principals Message

A reminder that tomorrow is our parliament induction ceremony for our Year 6 leaders. This will be held at 12pm and will be combined with our regular assembly items.

Thanks to our Sporting School's funding, starting next Thursday, all of our students will participate in a golf program. They will practise their skills over 4 weeks at school, before venturing to our local golf course at Harrington to put it all in to action.

Next Friday, weather pending, we will be holding our school cross country event. It will begin at 9am. All students will run between 1km and 3km, depending on the age they are turning this year. You are all welcome to come and cheer them on. The first 4 boys and 4 girls from each division (8/9s, 10s, 11s and 12/13) will progress to our LDPSSA cross country event, held at Hannam Vale school in week 9.

If you haven't already paid the \$15 renewal subscription for Children's University, or signed up, you need to act fast. Ave needs the names emailed to her ASAP!

Tania is home and recovering. She hopes to be back week 8, if not to make an appearance one day earlier.

Acting Principal, Amber Ryan

Friday 22nd November 2019

Dear Friends,

We hope you guys are ok. We have seen and heard the devastating news of catastrophic bush fires raging in the National Parks in Australia. They sound really dangerous. We have looked on the map and can see how close to Coopernook they are and that they seem to be surrounding you in New South Wales.

We wanted to write to let you know we are all thinking of you and to ask if we can help in any way even though we are a long way away? If you can think of anything then please do not hesitate to ask for our support.

Be careful, stay calm and keep safe.

Everyone at Linton Primary School

Ave from Children's University, has forwarded on this kind message from Linton Primary who we linked up with through the program last year.

What is NetSetGO?

Suncorp NetSetGO is Australia's official starter program for girls and boys aged 5 – 10, proudly supported by Suncorp.

NetSetGO is the only introductory netball program in Australia. It has been developed by Netball Australia to give young children the fundamental motor skills and netball skills they need to be able to enter competition netball with confidence.

NetSetGO is a tiered program:

- Net is recommended for children aged 5 – 6 years. It encourages fun and friendship through netball related dance, games and activities.
- Set is for children aged 7-8 years. It sets up the next generation of netballers with netball skills, teamwork and enthusiasm to take their game to the next level.
- GO is the final tier of the program where the children participate in modified competition to ready them for junior netball and encourage them to become a lifelong fan.

The age ranges in the tiers are only a guide. Players who have completed both the Net and the Set tier and have gained the appropriate skills are ready to progress to the GO tier.

Manning Valley Netball Association is looking for any boys or girls interested in our NetSetGo programs, in particular the Net program, we are hosting a 'Come Try Net' Day on Saturday 28th March 2020 from 9:00am.

Net Season commences on 2nd May @ 8am at the Taree Recreation Centre Netball Courts.

If there are any students or parents who are interested in coming along to either the try out day or signing up to play, please contact mynasecretary@gmail.com or look us up on Facebook <https://www.facebook.com/tareenetball/>
