Issue 7 Term 1 Week 9

Thursday 26th March, 2020

Principals Message

The Prime Minister, Scott Morrison's announcement last night reinforced that **schools are open** for students whose parents are not able to supervise them at home as well as for students who are vulnerable. The Prime Minister also stressed that student learning remains a priority whether it be at home or in the classroom. Parents have been encouraged to keep their children at home wherever possible with schools providing the **same unit of work for all students whether they are on or off site**. It is important that all students return their work each week for marking, whether it is paper based or online.

NAPLAN 2020 has been officially cancelled.

Good news: Tania has begun part time work this week, mostly from home. We are all very happy to have her back again!

Acting Principal, Amber Ryan
