Newsletter Term 2 Week 2

Thursday 7 May 2020

## Principals Message

Starting next week we will be welcoming students back to school. I'm sure the children are very excited about coming back to school to be with their friends. Things will still be a little different as they may not have their own teacher on the day they are here. Mrs Stewart, Mrs Aylett, Mrs Everingham and myself (Mrs Pullen) will be the teachers in attendance on different days across the week. There is a return to School Roster on the next page.

We will continue to follow the Education Department's guidelines in relation to social distancing and washing of hands at regular times during the day, for example; before entering the classroom and before eating.

I ask that parents follow the social distancing guidelines and drop your children at the gate to ensure we limit the number of people on site. We will ensure there will be someone at the gate from 8.30 to 9am to walk the children to the classrooms.

Mrs Ryan will continue to work from home, preparing lessons for Google Classrooms and assisting you all with anything related to learning that you need on your days at home. Mrs Gilchrist is also continuing to work part time from home at the moment whilst she is on her journey to recovery.

I have thoroughly enjoyed my first week at Coopernook Public school and getting to know the children and staff who have been at school. I am looking forward to next week where I will meet you all on your days here.

Mrs Toni Pullen

Relieving Principal

CHILDREN'S CHARITIES

### Term 2 Reading Activity!

**Need new books for your school?**

Here is the perfect activity for your students to participate in while practising self isolation.

# COOPERNOOK Public School

## Newsletter Term 2 Week 2

Thursday 7 May 2020

We understand these are hard times for schools, with a lot of pressure on teachers and a massive adjustment for students and their families. We hope that your school community are well and want you to know we are thinking of you all in these difficult times.

We would like to take this opportunity to let you know about our Book Bonus program and how encouraging your students to start reading can earn new books for your school. Students obtain sponsorship for reading from family and friends, if your school raises \$500 then Dymocks Children's Charities will provide your school with \$500 worth of books and will also send \$500 worth of brand new books to another school in need.

It's a wonderful way to participate in the 2020 NSW Premiers Reading challenge & raise money for books for your school and help others that are need of support at the same time, whilst being at home.

Students who raise over \$50 will receive a **FREE book bag**, and there will be competitions and prizes along the way. The top three fundraisers will also receive a book pack each and the top three schools will receive additional funding for their books!
