## Principals Message

It has been great to have all students back at school, learning and working with their teachers and playing with their friends once again in the playground. Many things have returned to our normal routine. Once again, thank you everyone for your support as we have all navigated through this unusual situation.

As you are aware, we continue with some new procedures such as limiting non-essential visitors (including parents) onto our school site. At this stage, there are no assemblies and we are having additional cleaning of high touch areas happening regularly.

Despite not having our class assemblies this term, teachers will continue to hand out Merit Awards and book prizes once a fortnight at our Friday morning assembly. Unfortunately, we are not able to invite parents to join us to watch these great presentations.

Remember, if you need to speak to any teachers, please phone the school office or communicate via your class teacher's email or mobile phone.

Our afternoon pick-up from the gate is working well, thank you for supporting this.

## Semester 1 Reports

Teachers are currently busily working on Semester 1 student reports. These will be a simplified version of the report you normally receive. Your child has been assessed during the learning from home period and may receive some additional assessment now that they have returned to school. Reports will be sent home in the last week of term 2.

Have a great week!

*Toni Pullen*

*Relieving Principal*

*We Ask, We Seek, We Learn*

## Children's Universities

Don't forget to bring in your passports for stamping and updating. Those students who have activity books, please return them to be marked and updated. Thankyou!

## Good for Kids good for life

### KEEP CRUNCHING

Most NSW primary schools have incorporated *Crunch & Sip®* (often called Fruit Break) as a regular part of the school day.

*Crunch & Sip®* helps kids meet their recommended vegetable and fruit intake, as well as help introduce new vegetables and fruit.

The benefits of *Crunch & Sip®* can happen at home as well as at school. Keep kids eating healthy snacks of vegetables and fruit no matter the day.
