## Principals Message

Dear Parents and Carers

This year students in years K-6 will be involved in the mandatory subject Personal Development, Health and Physical Education (PDHPE).

Part of our school's PDHPE program includes mandatory child protection education. Some of the content taught in child protection education deals with sensitive issues. The school will teach this content in an age appropriate way.

For more information about child protection education go to the [Child protection and respectful relationships education](#) section on the Department of Education's PDHPE website.

Thank you to all families, the students looked amazing yesterday in their uniforms. Our photo shoot was a lot of fun. We had standard individual portraits and our class photos are "personality shots".

It was great to see all of our students together and having fun with their class photos after being separated by Covid. Here is a sneak peek behind the scenes of our class shots. Due to showers of rain this morning we transported students using 2 of the staffs multi-seater bus style vehicles. Thank you Mrs Stephen and Mrs Conway for playing taxi back and forward, it was much better than walking in the rain and mud.
